

**2018 INFORMATION FOR TROJAN ATHLETIC FUND SCHOLARSHIP CLUB MEMBERS IMPACTED
BY CONSTRUCTION AT THE LA MEMORIAL COLISEUM**

Dear Scholarship Club Member,

In order to successfully complete the renovation and restoration of the Coliseum on time, major construction of the Scholarship Club Tower will commence in January 2018. It will continue through the 2018 USC Football season and there will be an impact to some fans.

Please take a moment to view the Construction Zone map that shows the construction area for the 2018 season. Seats in rows 39 to 43 from section 3L to 11H AND seats within the construction fence line are all impacted.

Based on your current seat location, your seats fall within the construction footprint and thus will not be available to you for the 2018 season.

We understand the inconvenience this causes and we are doing our best to mitigate the impact for our Trojan Family. At this time we are working to re-seat you in the best available seats for the 2018 season. As soon as we have completed this process, which will be prior to the end of this calendar year, we will notify you of your location for the 2018 season. All Trojan Athletic Fund members must renew their season tickets and maintain membership during the 2018 season or risk losing priority status to select seats in the 2019 renovated Coliseum.

In addition, we are working on a temporary field-viewable hospitality area for relocated Scholarship Club members only. Complimentary light refreshments and soft drinks will be served and alcoholic beverages will be available for purchase.

Should you have additional questions, please call us at 213-740-4155. We thank you in advance for your patience and working with us during this transitional season.

Fight On!
